May Newsletter

Please, please can you inform us if your child isn't going to be in for any reason e.g. sick, holiday, dentist, doctors as we have to do a register just like schools, you can do this by texting, phoning or even e-mailing us, also now you have your sessions allocated we can not change days as we are now full on most days.

We will be having our annual trip out on Wednesday 22nd June to Bristol Zoo. If you are interested and would like to have a coach please could you let Lesley, Jeanette or a member of staff know then we can try and arrange one, there will be no charge for the coach so we will be charging adults £9.50 pre school children £2.50 and any siblings £5.75, babies under 3 no charge.

Please could we have the money before half term please. Please can I say that if you are going by car to the zoo please could you meet us at the Guthrie road entrance so we can all go in together.

Please can we ask you that if any dogs/tigers are brought to Pre School they are left outside and tied up, as the church ask that only dogs that give support are welcome into the church building with their owner e.g. guide dogs for the blind, hearing dogs, dogs for the disabled etc. All other animals and or pets are not allowed in the building for reasons of hygiene, allergies and health and safety.

Please could you label your child's beaker as we have several beakers the same and the children are getting confused to which one is theirs.

Please can we also ask that you bring cardigans, jackets and hang them on their peg in the appropriate cloak room so when we go to the playground your child will not be cold, as the far end of the playground doesn't get much sun also as it will start to get warmer please can we ask that you put sun cream on your child before coming to pre school and

also bring sun hats which have their name in.

Fundraising this year that Sara has kindly organised for us raised £75.00 at Easter and £60.00 Mother's day the money raised will go towards the coach for the trip to Bristol zoo.

We have 4 parent reps within pre school, they are Alison Mason (Harry and Sammie's mum), Kay Rowley (Edwards mum) Hayley Stone (Amelia's mum) and Sara Redding (Frank's mum). Please make yourself known to them and if you have any questions please see them and if they can't answer please they will see Lesley or Jeanette.
