## October /November 2011 Newsletter

### Important information

At all events **NO** photos or videos are to be taken while the children are on the stage. You can take them at the end of an event but you must have the permission from other parents first. This is **not** Milton Baptist Pre-School saying this, it's the law. Nothing must go on Facebook or other similar websites unless it's your own child.

Please see your letter that you have signed.

Please, please can you inform us if your child isn't going to be in for any reason e.g. sick, holiday, dentist, doctors as we have to do a register just like schools, you can do this by texting, phoning or even e-mailing us, also now you have your sessions allocated we can not change days as we are now full on most days.

We have forms available if you are going on holiday please see leaders or your key worker.

Due to child protection procedure all INFORMATION regarding any children within the setting must be kept confidentially 

Please could you label your child's beaker as we usually have several beakers the same and the children are getting confused to which one is theirs, please could you also make sure that they have water or juice in their beaker and not fizzy drinks in it.

Please could you let your key worker know if child has any allergies/medical problems so we can write it down in our allergy book.
