September 2011 Newsletter

To all

We welcome all new children and parents with us for the next coming year we hope you enjoy your time with us any questions please speak to your key worker or the leaders. We also welcome back the children from last term; we hope you had a good holiday.

If any parent would like to give us a feedback to how your child has settled in their first week then please could you drop us a few lines on paper so we can add to our pre school website and that would be great .

Important information

At all events NO photos or videos are to be taken while the children are on the stage. You can take them at the end of an event but you must have the permission from other parents first. This is not Milton Baptist Pre- School saying this, it's the law. Nothing must go on Facebook or other similar websites unless it's your own child.

Please see your letter that you have signed.

Please, please can you inform us if your child isn't going to be in for any reason e.g. sick, holiday, dentist, doctors as we have to do a register just like schools, you can do this by texting, phoning or even e-mailing us, also now you have your sessions allocated we can not change days as we are now full on most days.

We have forms available if you are going on holiday please see leaders or your key worker.

Please could you label your child's beaker as we usually have several beakers the same and the children are getting confused to which one is theirs, please could you also make sure that they have water or juice in their beaker and not fizzy drinks in it.

Please could you let your key worker know if child has any allergies/medical problems so we can write it down in our allergy book.

Please can we ask that you label your child's sweatshirts /t-shirt and coats with their names.

For the next 6 weeks we usually let your child settle into Pre- School then we will give you a list of the topics that we will be doing
